Floor Plans

The image is a screenshot of a real estate listing page in Japanese. At the top left, there is a pink header with the character 'オン' (On) and the text '家具家電付き賃貸マンション インターネット接続無料' (Furnished apartment with furniture and appliances, free internet connection). Below this, there is a small photo of a multi-story apartment building. To the right of the photo, there is a vertical list of specifications and details in Japanese, including information about the building's location, size, and amenities. The overall layout is typical of a Japanese real estate website.
